WE hear that the Acting Surveyor General on Monday ordered nearly all the water | ties, and were contingent on good behaviour to be let out of the Taiping shan tank, lest it the fact would be made manifest that the should burst! the lawless smugglers which the Bruces are The sooner Catue road is made to pass front of this tank the better.

On Wednesday last a midshinman about fifteen years old, belonging to the ship starfordshire, obtained leave to visit the Wongnei-chung cemetery, wherein the body of an uncle of his lies interred. He had nearly reached the cometery, when he was set upon by three foot pads, and although he was not rmed, nor did he offer any resistance, be was shamefully maltreated and robbed. The vil--the whole under the Superintendence of Eu- lains stoned the poor boy until he fell senseless, cutting his head and face very badly. A police man seeing the outrage ran to the assistance of the helpless victim. The thieve ran up the hill-the police man had not the speed to catch them, and he was prohibited

from firing on them, so of course they es-The little middy will have a story to tel when he gets home about his attempted visit to his uncle's grave. Nothing will be done until a member of the Legislature is attack

ed; or has a horse hurt.

Most of our readers will no doubt have perused the report of the debate in the House of Commons on the China duestion. Which took place on the 22nd April. The argument against the policy pursued in China the Bruces were so potent, the conduct of the Ministers so unusual and reprehensible, and their defence so puetile and incorrect as to facts—that we feel called upon to bring forward the most salient points, and to make few deductions from the general tenor an

Where Mr. Liddell obtained his know ledge of China matters from, we cannot im agine-for he cannot have visited the country, or we should certainly have known the fact. His views at pear to us singularly comprehensive, intelligent and correct, and places them before the public in such an interesting and succinct manner, that they form the most readable effusions on China that we ever read. The Ministers own all this: complimentary strains, and aven the Time -notwithstanding the hyberbolical hallucinaions of Wingrove Cook, whose paculiar prorince China is supposed to be—admits that lr. buddell's views cannot be combatted.

Touching the present posture of affairs Mr. Liddell remarked. All in the state of th Since the previous debate on the affair at 500- My views as to the course to be possibled in chow two remarkable circumstances had occurred. Olims, remain unaltered, and, indeed, are con-The Futai, the here of Scochow, had been held firmed. If the disorder in this country were contained. up to public estimation in China, and had received frad to the districts in which the Tacping in honours and decorations from his Sovereign for the surgentsure in arms, and if their defeat would 71 Frames SHEATHING FELT, ex "Young part he played in the capture of that city; and, restore tranquillify, it might be argued that siny what was more extraordinary still, Major Gordon course of proceeding! likely to attain that end. after yours spent in extortion they retired to con-

sume their old age in debauchery and scusuality.

that any amount of physical force or of foreign

aid would suffice to put down rebellion against:

These are indeed words of wisdom which

Mr. Liddell went through the entire question

"supremacy" mouning that the Ministers of

Taipings, who had behaved in the most ex-

emplary manner towards us, and who could

upon us by devastating the Tea and Silk dis-

" in China is impolitic and unnecessary."

of insidvertent inaccuracies. We will give a

He attributed our wars in China to the

monopoly. He said "that system of mono-

"poly however was abolished, the trade was

thrown open, and as a result, a large num-

ber of adventurers rushed to the East over

whom there existed no control. The cqu

sequence was that this country was involved

The reader can hardly fail to observe that

in several long and costly wars with China.

this is the Bruce smuggling theory, a foul

scandal on the British mercantile community

of China, invented by Lord Elgin and poured

into the ears of H. M. Ministers in an under-

hand covert manner, simply und solely that

any remonstrance which the merchants might

make to the policy initiated, which it was

clear they would condemn, might go for

glers, generally coupled them with pirates.

that a large proportion of the foreign com

munity consist of adventurers under no con-

trol. Now certainly no name can possibly

be more inapplicable to the mercantile com-

munity of China than that of adventurer, and nothing would suit them better than the

operation of an enactment which would ex-

from the shores of China. A hassport sys-

tem is extremely feasible—why does not Sir

F. Bruce propose the measure to the Prince

of Kung, to his colleagues, and to the British ministry? Simply because that if he did he

would destroy the scandal which he has fas-

tened on the merchants and which has stood

him in such good need. For it is clear that

dent on a passport granted under heavy sure-

British merchants could not possibly be

But why do not the merchants address the

British minister and suggest to him the ne

cessity of arranging some such enactment for

the suppression of rowdyism? Simply because

there is neither organisation nor union

amongst them as a bommunity. There is no

But apart from all this, how can M

Layard, the representative of our Foreign po

licy in the House of Commons, say that law-

less adventurers caused our costly wars with

China? Does he know no better or was he

guilty of uttering a solemn untruth? The

imprisonment by Commissioner Lan of the

whole foreign community until all the opium

stored in the receiving ships should be sur-

rendered; was the cause of the first war. The

refusal of Con missioner Yea to seak redress

through the Consul for irregularities' commit-

ted by craft under the British flag, and a de-

termination to take the law into his own

hands, was the cause of the second war trans

the Take perfidy was the cause of the third.

Bruce's despatch to Earl Russell dated 13th

October 1863, and then say what relations

exist between the countries! Sir Frederic

gives up all hope of the Luperial govern-

ment. Here is what he is sys they soon are

words of widden IN HOOT, A - and O much

so fond of making them appear.

f a residence in China were made depen-

few specimens from the speech before us.

inflict if they pleased a vast amount of injury

tricts which were in their power.

such a government?

"lowing His hon. friend had asked what Major " Gordon's position was. He continued to act " under the Futai and he must say he did perfectly right. The reasons he gave for "doing so entitled him to the highest credit "and justified the good opinion entertained of him by those who knew him. He had rewe shall have something more to say about . monstrated and protested against the con-"duct of the Futai, but he went on to say i of the conduct of the British authorities in a he had thinking of his own reputation, China for the past few years. He spoke of "thrown up his command, the troops to a the jealousy of the Russians, the French and "man would have gone over to the Taipings the Americans, he blamed the government "the Chinese would have been defeated, for supporting the equipment of the Anglo. Shanghai would have been sacked, and an Chinese deet, and for taking the ipse dixit of "enormous amount of British property would Mr. Lav as to the powers conferred on him. " have been destroyed." He said that "if Mr. Lay had succeeded in It must be born in mind that this refers to

installing himself as the First Lord of the Gordon's reconciliation with the Futai, when "Chinese Admiralty, with the Customs re- the latter was acting on the offensive, when "venue in his pocket, that still the position the Taipings were most desirous to make " would have been a long way from British friends with the British, and when Shanghai was amply garrisoned by British troops. France, America and Russia would have With respect to supplying the Mandarins interposed to stop such a step. He quoted a with arms, Mr. Layard made the following passage from the last report of the Hongkong statement. "His honorable friend had ac-Chamber of Commerce which contained the cused H. M. Government of not only giving statement that the "great majority of the "the Chinese government the assistance of "respectable commercial classes (foreign) in a British officers, but also of supplying them China, disapproved of the present action of " with arms and ammunition. The fact was "our authorities." He descented on the in-" that some old stores had been supplied to capacity of the Imperial Government to suf-"the Chinese government, and had been paid press the Taiping rebellion, or even to go-"for except a triffing balance, so that there

vern the Country should it be suppressed, and " had been no loss to the country on that ache reprobated the impolicy of irritating the Why General Brown in addressing the Ear de Grey and Ribon on 14th September savs. "The position of that officer [Colonel Gordon "requires my greatest consideration, from the THE Undersigned are prepared to receive Goods "small force to defend his garrison, and the on Storage in their godowns on the Praya si-He concluded by moving "that in the great responsibility of a large park of artil- tuated in front of their Offices. opinion of this House, further interference "lerv and munitions of war in his possession." on the part of this country in the civil war Surely these were supplied from H. M. ar

affairs followed. We have always noticed in guns at the disposal of the Royal Artillery in

not think they are entitled to the consideration Lavard's statement. One more example and we have done for to have have however a good deal to say on this subject, which we shall renew if noswithdrawal of the restraint, imposed on Brissible to morrow. Mr. Layard said—"a paper DY, at \$9 per dozen, tish subjects during the East India Company's "had been actually established at Shanghai, Duff & Gordon's best called the Chinese Recorder, and paid in order to advocate the policy that each mer-"chant sliould be allowed to make his own arrangements with the Chinese authority on the spot, and should buy exactly what the latter agreed to take he having of course been bribed—and that there should be no diplommatic relations between this country and China. He would not trouble the House to read the answer which had been published in the China Mail: it was to be found in the blue book: but that answer was so complete that it led he believed to the suppression of the Chinese Recorder."

So much for the defence of the Ministry by one of their number. The last statemen is a pure fiction, and a most absurd one too. We must beg of the reader to remark spe- It is a great trick that government officers in cially another point. The Bruces, not con- China have to have things inserted in the tent with branding the merchants as smug- China Mail, that they may be quoted as expressive of public opinion in the blue book. Mr. Layard sounds the key note by stating The last specimen is however a fallacy.
